

I would first like to say "Thank you," to everyone who year after year, support us in our endeavour to carry on the tradition of two very important people; Mom and Dad – Joe and Sheron Hogan.

In the last 22 years, running this event, which has been so well received, has not only been an honour, but a continuously motivating force to help this community, which has been so kind and so giving on so many different levels.

We have focused our fundraising to help support the Windsor Cancer Centre Foundation. When Mom passed, we developed a scholarship program to help students who have been affected by cancer. The Sherron Hogan Memorial Scholarship Fund has been incredibly rewarding – to date, we have awarded 93 scholarships and a total of \$175,000 to deserving students throughout the area.

As we prepare for this year's event, we are faced with unfamiliar challenges. The current pandemic has affected all of us. We have done extensive research and preparation in attempt to keep this tradition going, and it is with great pleasure to inform you that we are moving forward with the 23rd annual Joe Hogan Memorial Golf Fun Day. There will, of course, be changes, and we will do our best to provide participants and sponsors a great, safe day of golf fun.

From all of our committee, and the family of the Joe Hogan Memorial, thank you for your consideration and continued support.

Thank you,

Doug Hogan

Thank you for your participation. We, as an organization could have never achieved the twenty-two years of success and accomplishments without YOU.

This year will NOT be a shotgun start. Instead, tee-times will be designated to each foursome across Roseland Golf Club, Sutton Creek Golf Club,

and Ambassador Golf Club. Times will begin at 9am at all three locations. We do ask that your foursome arrives at the golf course 20 minutes prior to your tee-time. Groups will be safely organized, and sent to the first tee.

The 18-hole scramble will be filled with activities, including challenges on all par-3s. Stay tuned to [joehoganmemorial.com](http://joehoganmemorial.com) for further details prior to the event. We will also be selling raffle tickets on the course for an online draw to be held at a later, determined time.

Each golfer will receive an individual lunch and Walkerville beer at the turn. After completing your round, you will receive a fantastic gift bag from one of our committee members or volunteers. Please be advised that once you have received this gift bag, we ask that you exit the golf course promptly and limit gatherings according to provincial guidelines.

We are committed to making this great event happen, while abiding by all rules and guidelines provided by the Windsor Essex Health Unit and the participating golf courses. Over the next several weeks, we will continue to monitor all changes and updates related to Covid-19, and respond accordingly. We ask that you follow along with these changing circumstances as they occur at [joehoganmemorial.com](http://joehoganmemorial.com).

Unfortunately, due to the current situations, the dinner celebration will NOT take place. We want to thank the Caboto Club for the awesome job they have done over the past. Hopefully, we can reunite in 2021.

This is our attempt to bring back some normalcy during these difficult times, while continuing our commitment to the Windsor Cancer Centre Foundation and Sherron Hogan Memorial Scholarship Fund. We thank you for your support and consideration. Stay tuned, and stay safe.

Thank you,

Doug Hogan
